G. Griffin presented the latest working draft of the Bike/Ped Summit, confirming that the UT Teaching Center was the best available venue for the event. The desired audience was confirmed as bicycle and pedestrian professionals, advocates, and interested citizens. Darcie Schipull mentioned that Ginger Goodin at TTI may be a good contact for assistance. Regarding the speaker's list, she mentioned Carlos Lopez could speak on Complete Streets, and that Bob Daigh, P.E. might be a good option for the introduction. Griffin also mentioned that LAN might be a good speaker to discuss their GIS tool development for the City of Austin. Both CAMPO and TXDOT expressed interest in offering planning workshops.
