

Managed Lanes Open House

Rescheduled

The Texas Transportation Institute (TTI) and the Texas Department of Transportation (TxDOT) will be hosting an informal open house on **managed lanes**, a new concept that provides options for freeway travel. Attendees can learn more about managed lanes and interact with experts at their own pace visiting project display stations.

WHAT: Managed Lanes Open House

WHEN: Tuesday, February 20, 2007
6:00 pm to 8:30 pm

WHERE: [Thompson Conference Center](#) at UT
2405 Robert Dedman Drive
Parking available at the southwest
corner of Dean Keeton and Red River

If you have any questions, please contact Ginger Goodin at g-goodin@tamu.edu (TTI).
