

CAMPO Transit Work Group Discussion Notes
December 17, 2007
Austin City Hall, Boards & Commissions Room

STRENGTHS

- Information amount
- A lot of work being done
- Desire for efficiency

- Assets (availability?)

- Sophistication of planning organization
- Use of transit system
- 1-cent sales tax
- Population's expectation to do something
- Population has expressed vision
- Strong regional economy

WEAKNESSES

- Lack of communication
- Definitions (transit)
- Limited regulatory authority at the jurisdictional level
- Congested now; high population growth
- Efficiency of 1-cent sales tax
- Not regional sales tax
- Lack of money
- CAMPO lacks UT representation
