RE: Peer Review Study
Potential Organizations for Stakeholder Interviews

In preparation for an intensive period of stakeholder interviews in the coming weeks, we have developed a preliminary list of potential organizations to contact for your review. As described in the study scope of work, we anticipate conducting a total of up to 16 stakeholder interview meetings, so some prioritization will be necessary.

The following table includes the list of organizations included in the Request for Proposals, some additional regional agencies that were mentioned during our negotiations, and some other potentially interested parties. We look forward to discussing these (and any others that we may have inadvertently missed) with you and the CAMPO Peer Review Committee at the kick-off meeting on Friday.

Table 1 Potential Organizations for Stakeholder Interviews

From Capital Metro RFP	Other Regional Agencies	Interested Parties
CAMPO Transportation Policy Board	Capital Area Rural Transit System (CARTS)	Envision Central Texas
CAMPO Executive Director and key staff	Texas Department of Transportation (TxDOT)	Real Estate Council of Austin
