**Technical Advisory Committee**

**Agenda Item 7**

Presentation and discussion of innovative intersection improvements at the Y in Oak Hill

The City of Austin, Travis County, the Central Texas Regional Mobility Authority and TxDOT partnered to develop interim innovative intersection solutions along US 290W at the following intersections:

- FM 1826
- Convict Hill Road
- SH 71
- William Cannon
- Joe Tanner

The City of Austin, Travis County and TxDOT are now partnering to develop the plans for and to implement those solutions. Keith Taylor, P.E., the design project manager for TxDOT, will provide a presentation of those solutions and the timelines for implementation.
