

Bergstrom Spur Platinum Planning Study

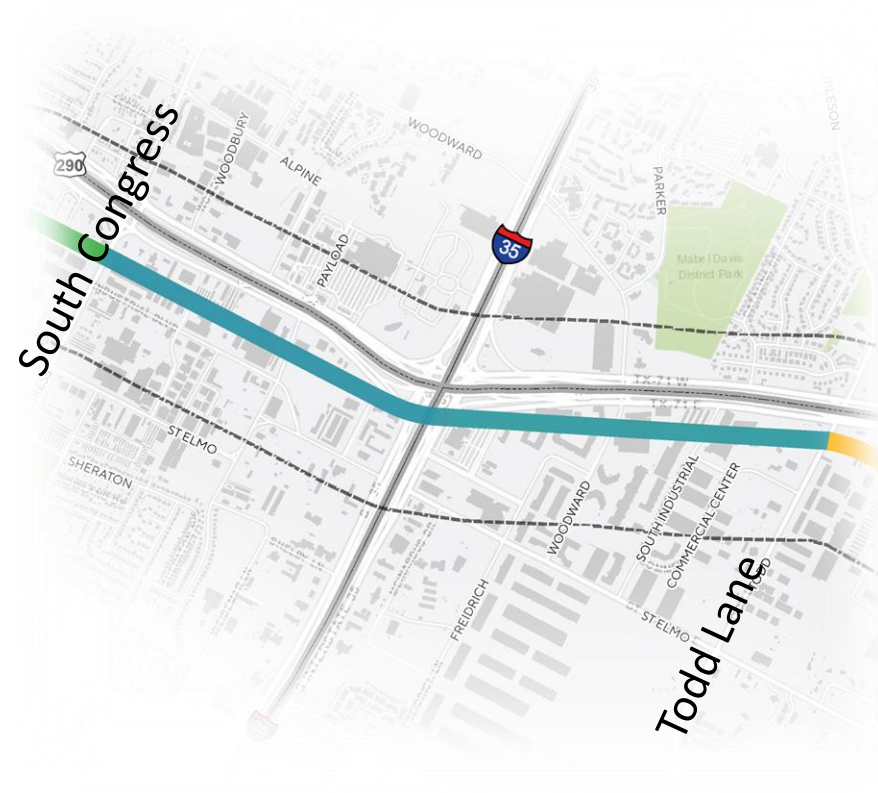

Central Segment: Congress Avenue to Todd Lane

What We Heard: Central Segment

Congress Avenue to Todd Lane

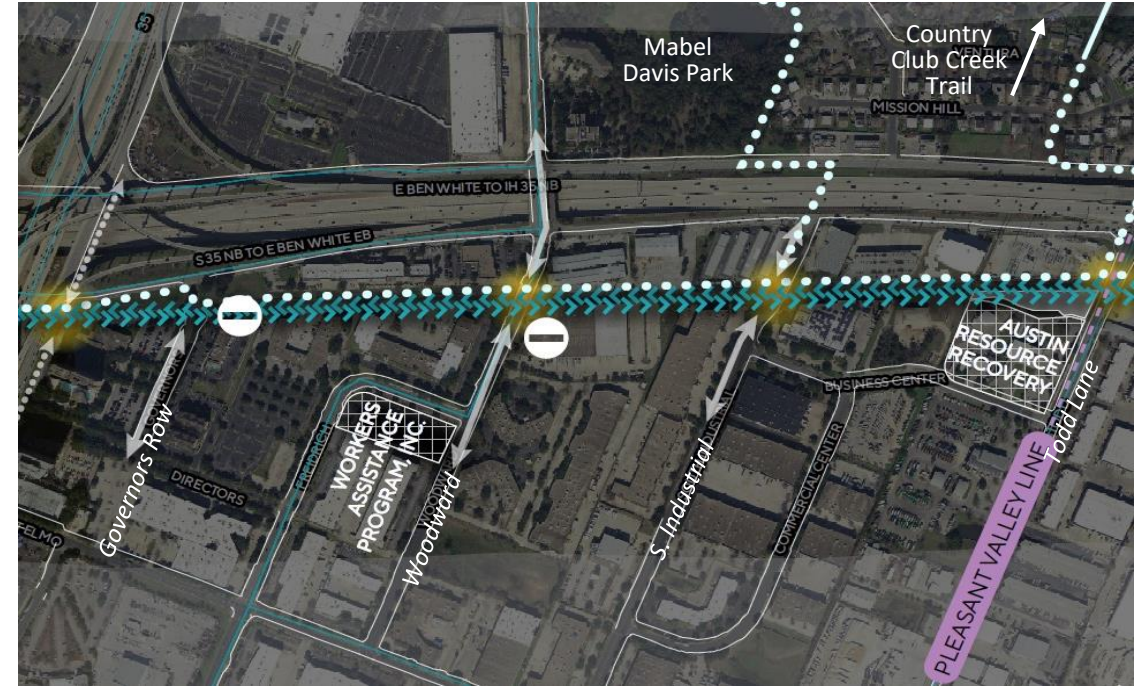

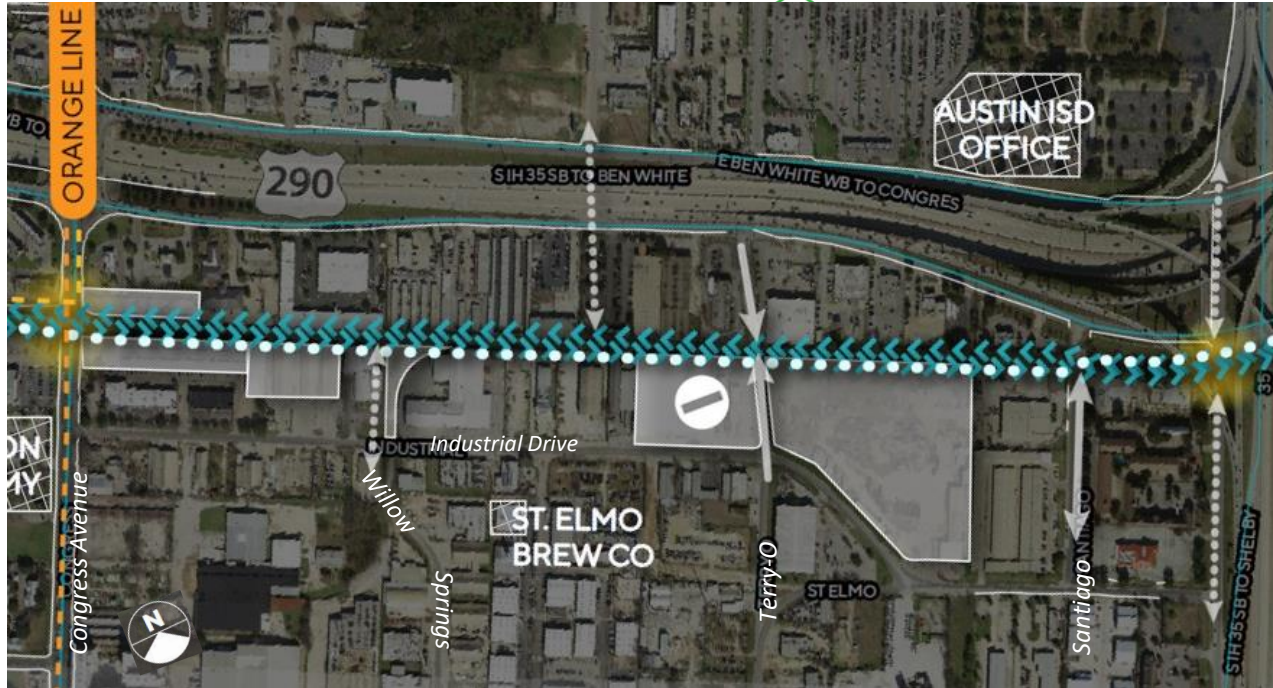

- ✓ Create access to nearby destinations
- ✓ Improve safety along the I-35 underpass crossing
- ✓ Provide safe crossings at major intersections
- ✓ Make it easy to access nearby trails
- ✓ Collaborate with local businesses to create a sense of place
- ✓ Include benches and art to make corridor more attractive and useable

STATION

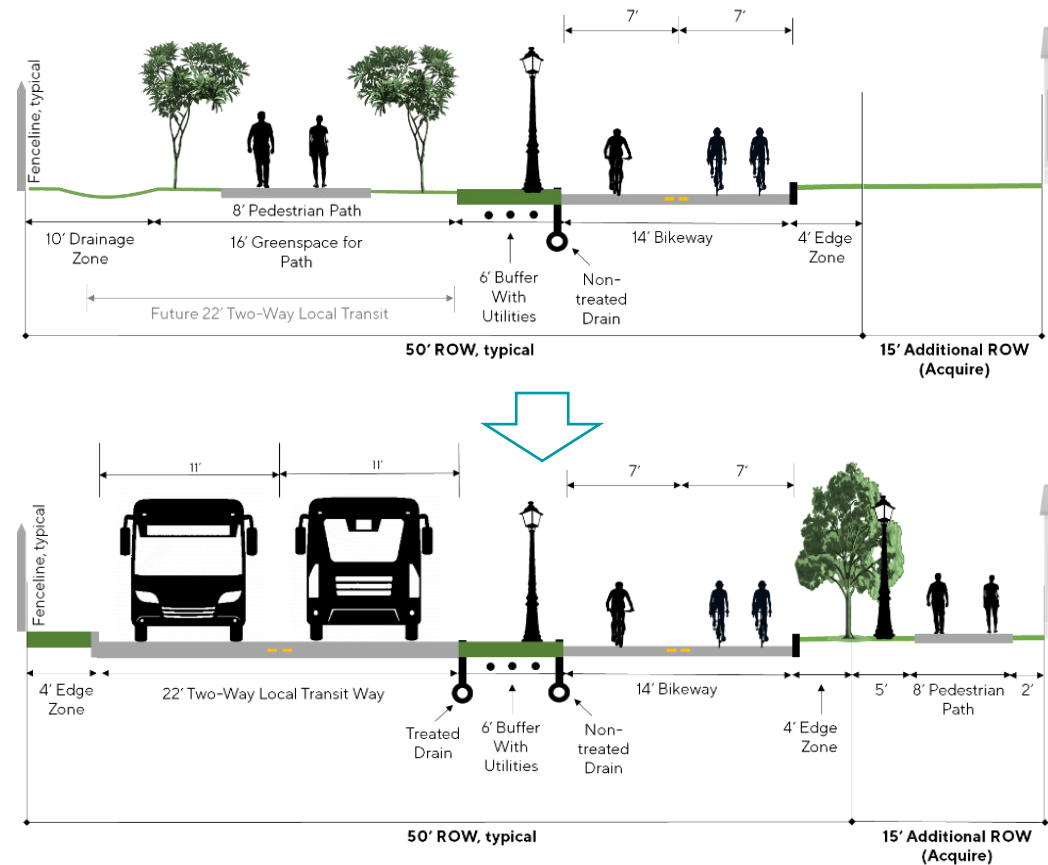

Central Segment Concepts: Congress Avenue to Todd Lane

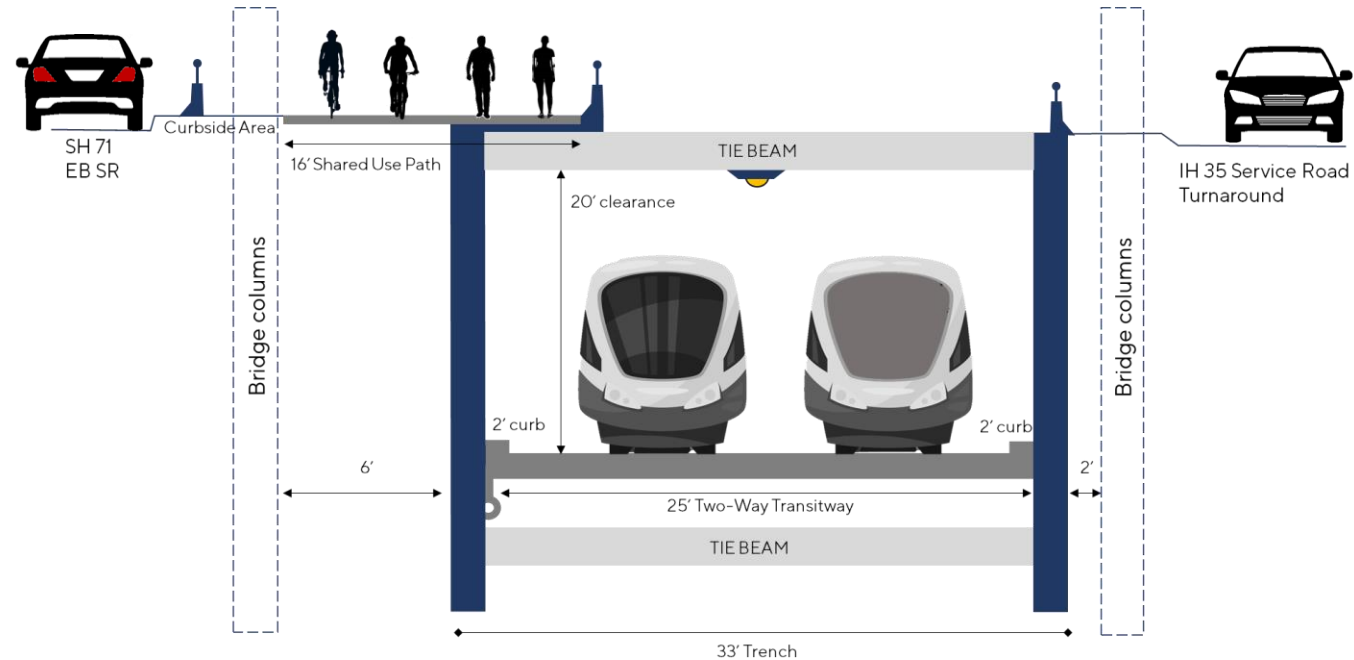

Central Segment Concepts: Congress Avenue to Todd Lane

Future Transit Concepts: West of I-35 and I-35 Crossing

OPTIONS:

1. Produce a level crossing for both the trail and transit.
2. Underground crossing for transit with a street-level hike and bike path.
