

FY 2022 & 2023

UNIFIED PLANNING WORK PROGRAM

CAPITAL AREA METROPOLITAN PLANNING ORGANIZATION

Adopted by the Transportation Policy Board: June 14, 2021
Amended by the Transportation Policy Board: October 11, 2021
Amended by the Transportation Policy Board: February 14, 2022

Credit and Disclaimer Statement

Prepared in cooperation with the Texas Department of Transportation and the U.S. Department of Transportation, Federal Highway Administration and Federal Transit Administration. This report was funded in part through grant[s] from the Federal Highway Administration [and Federal Transit Administration], U.S. Department of Transportation. The views and opinions of the authors [or agency] expressed herein do not necessarily state or reflect those of the U.S. Department of Transportation.

- I. **INTRODUCTION** - The Federal Aid Highway Act of 1962 promulgated the requirement that all urban areas of 50,000 or more population develop and maintain a comprehensive, cooperative, and continuing (3-C) transportation planning process. The process would establish a transportation plan and provide the procedure by which it would be maintained and revised on a continuing basis.
- A. **PURPOSE** - The Unified Planning Work Program (UPWP) provides descriptive details for the Capital Area Metropolitan Planning Organization (CAMPO) planning process for FYs 2022- 2023. This activity is required under federal law defining the responsibilities of Metropolitan Planning Organizations (MPO). The UPWP serves as the document for identifying ways to carry out the continuing, cooperative and comprehensive transportation planning process in the six-county Capital Area in Central Texas. An MPO is required to perform all planning tasks set forth in federal laws and regulations, many of which are conducted annually. However, some tasks require more than one year to complete and are carried forward from one UPWP to the next. To effectively identify all work tasks, CAMPO prepares this UPWP with input from federal, state and local jurisdictions and transportation providers in the CAMPO region.

The appendices contain the following:

- Appendix A: Transportation Policy Board Membership
- Appendix B: Metropolitan Area Boundary Map
- Appendix C: Debarment Certification
- Appendix D: Lobbying Certification
- Appendix E: Certification of Compliance
- Appendix F: Certification of Internal Ethics and Compliance

FAST Act Planning Factors

FAST Act contains ten broad planning areas that should be considered when developing plans and programs. The work tasks contained in the FYs 2022 - 2023 UPWP have considered the following ten areas, some more directly than others:

1. Support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency.
2. Increase the safety of the transportation system for motorized and non-motorized users.
3. Increase the security of the transportation system for motorized and non-motorized users.
4. Increase accessibility and mobility of people and freight.
5. Protect and enhance the environment, promote energy conservation, improve the quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns.
6. Enhance the integration and connectivity of the transportation system, across and between modes, for people and freight.
7. Promote efficient system management and operation.
8. Emphasize the preservation of the existing transportation system.
9. Improve the resiliency and reliability of the transportation system and reduce or mitigate storm water impacts of surface transportation; and
10. Enhance travel and tourism.

Further, the work tasks consider the federal performance goals in the following seven areas:

1. Safety
2. Infrastructure Condition
3. Congestion Reduction
4. System Reliability
5. Freight Movement and Economic Vitality
6. Environmental Sustainability
7. Reduced Project Delivery Delays

- B. **DEFINITION OF AREA** - The CAMPO planning area includes all of Bastrop, Burnet, Caldwell, Hays, Travis and Williamson Counties (**Appendix B**) and the cities and villages in each of the six counties (a comprehensive list of these jurisdictions can be found at www.campotexas.org). By federal definition, CAMPO's planning area must at least include the urbanized area (as defined by the U.S. Bureau of the Census) and the contiguous area that may reasonably be expected to become urbanized in the next 20 years.

During the 2010 census, a very small portion of Guadalupe County was included as a part of the newly urbanized area of San Marcos. San Marcos intends to remain part of CAMPO. Therefore, an agreement was developed between CAMPO and the Alamo Area MPO (AAMPO) regarding the roles and responsibilities of each MPO concerning this portion of Guadalupe County. CAMPO agrees that staff will meet as needed to review progress of planning efforts to discuss key findings from program activities and to discuss the scope, plans, and implementation of activities. To help ensure continuity of federal and state funds, CAMPO agrees to abide by the methodology and process used to allocate funds to the respective MPOs. CAMPO agrees to abide by the methodology and process currently used to allocate federal transportation planning funds to the respective MPOs. CAMPO agrees to work with the AAMPO to identify the need for corridor projects that cross the CAMPO and AAMPO planning area boundary.

- C. **ORGANIZATION** - The Transportation Policy Board (**Appendix A**), develops regional transportation policy, allocates state and federal funding to implement the short- and long-range transportation plans for CAMPO. The Policy Board consists of 21 elected and appointed county, city, Texas Department of Transportation (TxDOT) and Capital Metropolitan Transportation Authority (CMTA) officials.

Other committees, task forces or study groups may be formed from time-to-time throughout the year as necessary.

CAMPO currently operates with various professional staff positions. The professional staff covers the tasks listed in the UPWP. Depending on the budget and/or work tasks to be completed, CAMPO may employ a varying number of consultants, interns, permanent, or temporary personnel.

Functional Responsibilities of Planning Agencies

For the transportation planning process to function properly, the agencies involved

must work together cooperatively. The Transportation Policy Board (TPB), the Texas Department of Transportation (TxDOT), Central Texas Regional Mobility Authority (CTRMA), Capital Metro, Capital Area Rural Transportation System (CARTS) and the local governments within the planning area are responsible for carrying out the urban transportation planning process consistent with local agreements. This process includes planning for roadways, bicycling facilities, pedestrian facilities, freight movement, passenger rail, and transit.

The following descriptions of functional responsibilities for each agency are not intended to limit the participation of any agency or local government in the study. Rather, they are brief descriptions of primary responsibilities.

Metropolitan Planning Organization - The MPO, in cooperation with CTRMA, mass transit operators, planning agencies and local governments:

- 1) Is responsible for carrying out and maintaining the urban transportation planning process to include:
 - a. Cooperative decision-making, principally, by elected officials of local governments.
 - b. Unified Planning Work Program (UPWP),
 - c. Transportation Improvement Program (TIP),
 - d. Metropolitan Transportation Plan (MTP), and
 - e. Congestion Management Process (CMP).
- 2) Executes contracts and/or agreements necessary to carry out the work outlined in the UPWP.
- 3) Develops and maintains transportation databases and analytical tools.

MPO staff has the following general responsibilities:

- 1) Provide staff support to the Transportation Policy Board (TPB), the Technical Advisory Committee (TAC), and committees of the Policy Board and TAC.
- 2) Review and report on items on the agenda(s) for the TPB, TAC, and appropriate committees.
- 3) Coordinate and perform the planning and data collection activities contained in the UPWP.
- 4) Prepare and submit an annual budget outlined in the UPWP for approval.
- 5) Receive and review all bills from consultants that the MPO has contracted with to perform work outlined in the UPWP.
- 6) Submit requests for reimbursement to the appropriate federal and/or state agencies for work performed according to the UPWP.
- 7) Prepare and submit grant applications for federal/other assistance in transportation planning, and related fields, as appropriate.
- 8) Prepare and submit the annual performance and expenditure report and annual project listing.
- 9) Coordinate the activities for the development and maintenance of the Unified Planning Work Program, the long-range Metropolitan Transportation Plan and the Transportation Improvement Program.
- 10) Refine and maintain a process for engaging the public in the transportation planning process; and

- 11) Perform any other administrative duties as required by the Transportation Policy Board; and,
- 12) Ensure compliance with Title VI Civil Rights, Environmental Justice and other federal requirements related to CAMPO's operations, activities and programs.

Texas Department of Transportation

The Texas Department of Transportation (TxDOT), within the realm of transportation planning, has the following varied responsibilities for the CAMPO planning area:

- Highway planning.
- Participating and lead agency in appropriate transportation studies and environmental documents.
- Review of all FTA Section 5307, 5310 and Section 5311 capital grant applications that may involve state funding: and

In addition, TxDOT maintains certain transportation database files and forecasting models, and coordinates its planning efforts with the MPO through the UPWP.

Capital Area Rural Transportation System (CARTS)

CARTS is the rural public transportation provider for this region and has primary responsibility for rural transit planning and operations in the study area.

Capital Metropolitan Transportation Authority (Capital Metro)

Capital Metro is a provider of public transportation in the region. Capital Metro has primary responsibility for conducting various short and long-range transit studies, maintaining all transit data, and is responsible for transit planning and operation in the urban portion of the study area.

Counties

Williamson County acts as our fiscal agent and provides support for human resources, benefits, accounting, and information technology.

The Counties of Bastrop, Burnet, Caldwell, Hays, Travis and Williamson have the primary responsibility for the planning of all roads outside incorporated areas that are not on the State system. The counties also perform analyses on the state system in cooperation with the TxDOT – Austin District. The County coordinates its planning with TxDOT and incorporated areas in extraterritorial jurisdictional areas.

Cities

All jurisdiction cities in our planning area have the responsibility for the planning of all off-system roads within their incorporated area, and some have negotiated agreements with TxDOT to plan for roads on the state system as well in cooperation with TxDOT.

Public/Public and Public/Private Partnerships

The CAMPO region continues partnerships with local governments and transportation agencies and has actively pursued various partnerships with entities established to advance planning for and improve the area's transportation infrastructure.

- D. PRIVATE SECTOR INVOLVEMENT** – Consultants have been and will continue to be used on an as-needed basis in CAMPO’s transportation programs and planning processes. In the past, CAMPO has used private sector consultants for a variety of services ranging from legal services to corridor studies to improvements to the regional travel demand model. The use of consultants will continue as needed.
- E. PLANNING ISSUES AND EMPHASIS** – The Federal Highway Administration and Federal Transit Administration have jointly issued Planning Emphasis Areas (PEAs). The PEAs are planning topical areas for MPOs and State DOTs to develop and identify work tasks for FY 2022 and 2023. The Planning Emphasis Areas are:
1. **MAP-21 Implementation - Transition to Performance Planning and Programming:** CAMPO continues to engage in performance-based planning and programming as required by MAP-21 and the FAST Act including the adoption of federal and state performance measures for Safety (PM1), Pavement/Bridge Conditions (PM2), System/Freight Performance (PM3) and Transit Asset Management (TAM). These performance measures are regularly updated, amended, and incorporated into the development of planning products including the Transportation Improvement Program and Regional Transportation Plan. Additionally, project programming and funding efforts undergo a rigorous performance-based evaluation process.
 2. **Regional Models of Cooperation - Ensure a regional approach to transportation planning by promoting cooperation and coordination across transit agency, MPO and state boundaries:**
CAMPO will continue to strive to improve the effectiveness of transportation decision making by working with regional partners to think beyond traditional borders and adopt a coordinated approach to transportation planning that supports common goals and capitalizes on opportunities related to project delivery, congestion management, safety, freight, livability, and commerce across boundaries. Improved multi-jurisdictional coordination promises to reduce project delivery time and enhance the efficient use of resources. Enhanced cross-jurisdictional communication will improve collaboration, policy implementation, technology usage, and performance management.
 3. **Ladders of Opportunity – Access to essential services:**
Through the transportation planning process, CAMPO will work with regional partners to identify connectivity gaps in accessing essential services, including employment, health care, schools/education, and recreation. Staff will research analytical methods to identify gaps in the connectivity of the transportation system and identify infrastructure and operational solutions that provide the public, especially the traditionally underserved populations, with adequate access to essential services. Potential tasks include: evaluating the effectiveness of public transportation plans for engaging transportation disadvantaged communities in the transportation decision making process; updating the Section 5310 Coordinated Human Services Public Transportation Plan; assessing the safety and condition of pedestrian and bicycle facilities; and evaluating compliance with the Americans with Disabilities Act, particularly around schools, concentrations of disadvantaged populations, social services, medical and transit facilities.

CAMPO will work cooperatively with TxDOT, CARTS and Capital Metropolitan Transportation Authority (CMTA) to define performance measures that emphasize these seven federal goals:

1. Safety
2. Infrastructure Condition
3. Congestion Reduction
4. System Reliability
5. Freight Movement and Economic Vitality
6. Environmental Sustainability
7. Reduced Project Delivery Delays

II. TASK 1.0 – ADMINISTRATION AND MANAGEMENT

- **OBJECTIVE**

To accomplish, on a continuing basis, the plans and programs necessary to administer federal transportation planning requirements and maintain the transportation planning process in and for the Capital Area Metropolitan Planning Organization's planning area.

- **EXPECTED PRODUCTS**

Certified transportation planning process
FY 2021 & FY 2022 Single Audit
Unified Planning Work Program (FYs 2022 & 2023) and amendments
Unified Planning Work Program (FYs 2024 & 2025)
FY 2021 & 2022 Annual Project Listing
FY 2021 & 2022 Annual Performance and Expenditure Report
Statistics and Metrics Dashboard
New equipment and computer hardware/software

- **PREVIOUS WORK**

Performed general administrative functions
FY 2020 & 2021 Unified Planning Work Program and amendments
FY 2019 & 2020 Annual Project Listing
FY 2019 & 2020 Annual Performance and Expenditure Report
FY 2019 & 2020 Single Audit
Updated Public Participation Plan
Updated Title VI Plan
Coordinated transportation planning and implementation activities with other agencies and organizations
Conducted a public involvement process compliant with federal and state regulations
Provided support for all meetings of the transportation planning process
Implemented policies to maintain the transportation planning process
Provided staff access to courses, conferences, workshops and seminars
Regional Transit Study
Bergstrom Spur Study
Regional Transportation Demand Management (TDM) Study

- **SUBTASKS**

Subtask 1.1 MPO Staff Work for Task 1.0

The primary activities which will take place under MPO Staff Work include the following:

1.1.1 Program Administration: This activity includes development and implementation of those policies and guidelines necessary to carry out and maintain the transportation planning process; maintenance of the FY 2022 & 2023 Unified Planning Work Program, development of the Annual Performance and Expenditure Report (APER) and Annual Project Listing (APL), development of the FY 2024 & 2025 Unified Planning Work Program, sponsoring and conducting

meetings including providing support to policy and advisory bodies; coordinating and working with other agencies and organizations involved in planning, programming and implementation of transportation projects.

1.1.2 Public Participation: This activity supports the implementation of the MPO's Public Participation Plan to include the conduct of community outreach and public meetings/hearings as needed with emphasis on Environmental Justice populations and the development/review processes of the Transportation Improvement Program, Metropolitan Transportation Plan and other planning products; develop and use of questionnaires, online surveys, newsletters and other participation techniques; and provide bilingual materials and translations as appropriate.

1.1.3 Title VI Civil Rights/Environmental Justice (EJ): This activity supports monitoring and evaluating Title VI/EJ guidance and requirements, developing and implementing documents and procedures to ensure CAMPO's plans, programs and activities comply with Title VI/EJ guidance and requirements, collecting and analyzing data related to minority, low income, limited English proficiency and other populations vulnerable to potential disproportional adverse impacts from the planned transportation system and transportation projects, identifying possible strategies to minimize, avoid or mitigate potential disproportional adverse impacts on the EJ populations, maintaining, coordinating efforts to develop the Regional Toll Network Analysis that evaluates the impacts of the regional toll network on the EJ and non-EJ populations (see Task 2.0), implementing the CAMPO Limited English Proficiency Plan and updating that plan as needed.

1.1.4 Travel and Training: This activity supports staff development in the technical activities associated with the transportation planning process through travel to and attendance at appropriate conferences, courses, seminars, and workshops (AMPO, APA, ESRI, TransCad, TxDOT, TRB, UT at Austin, CNU, etc.). CAMPO will seek prior approval from TxDOT for Out-of-State travel.

1.1.5 Equipment/Office Space & Computer Hardware/Software: This activity is for the upgrade/addition of, equipment/office space and computer hardware or software to ensure program efficiency. A description of equipment purchases in excess of \$5,000 will be submitted to the Texas Department of Transportation and the Federal Administration Highway for approval prior to acquisition. The MPO understands that split costs are not allowed.

Responsible Agency:	Capital Area Metropolitan Planning Organization
Funding Requirement:	\$3,908,388 PL
Product(s):	Certified transportation planning process; Updated or new documents and reports Statistics and Metrics Dashboard New equipment and computer hardware/software

Subtask 1.2 Legal Services – Consultant Work

1.2.1 Legal Services: This activity is for legal services that are necessary for planning purposes. Ongoing contract.

Responsible Agency: Capital Area Metropolitan Planning Organization
 Funding Requirement: \$200,000 PL
 Product(s): Legal opinion(s) and counsel, as necessary and appropriate, with prior approval from TxDOT and FHWA

Subtask 1.3 Audit Costs – Consultant Work

1.3.1 Audit Services: This activity is for audit services that are necessary to comply with the Single Audit Act. Ongoing contract.

Responsible Agency: Capital Area Metropolitan Planning Organization
 Funding Requirement: \$50,000 PL
 Product(s): Single Audit Report, financial statements

• **FUNDING SUMMARY**

Task 1.0 - FY 2022 & FY 2023

Subtask	Responsible Agency	Transportation Planning Funds (TPF) ¹		STBG		Local		Total		Grand Total
		2022	2023	2022	2023	2022	2023	2022	2023	
1.1	CAMPO	1,978,501	1,929,887					1,978,501	1,929,887	3,908,388
1.2	CAMPO	75,000	125,000					75,000	125,000	200,000
1.3	CAMPO	25,000	25,000					25,000	25,000	50,000
				-	-	-	-	-	-	-
TOTAL		2,078,501	2,079,887	-	-	-	-	2,078,501	2,079,887	4,158,388

¹TPF – This includes both FHWA PL-112 and FTA Section 5303 Funds. TxDOT will apply transportation development credits sufficient to provide the match for TPF. As the credits reflect neither cash nor man-hours, they are not reflected in the funding tables.

III. TASK 2.0 - DATA DEVELOPMENT AND MAINTENANCE

- **OBJECTIVE**

Provide updated information, demographic data and analysis to support the Metropolitan Planning Organization's planning efforts.

- **EXPECTED PRODUCTS**

Series of technical reports documenting the ongoing GIS data updates on traffic counts and mapping

Transportation related air quality data collection and analysis, air quality planning and outreach products

2045 Plan related performance measures

Demographic forecasts and travel demand model for the 2045 Plan updates

Interactive Web Viewer updates

UrbanSim (Demographic Allocation Tool)

Development 2050 Travel Demand Model

- **PREVIOUS WORK**

Updated demographic forecasts and travel demand model for the 2045 Plan

2040 Plan related performance measures

Development 2045 Travel Demand Model

Regional Arterial Plan Modeling

UrbanSim (Demographic Allocation Tool)

Interactive Web Viewer – Regional Arterial Plan

- **SUBTASKS**

Subtask 2.1 MPO Staff Work for Task 2.0

2.1.1 General Administration: This subtask allows for administrative activities related to data development and maintenance including procurement, contract management and appropriate review/processing of monthly billings for work related to Task 2, as well as conducting the activities in subtasks 2.1.2, 2.1.3, 2.1.4, and 2.1.5 and developing related performance measures.

2.1.2 General GIS: Specific activities will include reviewing and providing direction on the development and dissemination of geospatial databases on residential and commercial growth and transportation data; mapping databases supporting CAMPO programs; maintenance of the demographic and modeling databases of the 2045 Plan; develop and maintain the interactive web viewer for sharing GIS data on growth and projects; develop maps and materials for work group and public meetings; develop technical memoranda documenting work completed.

2.1.3 Demographic Forecasting: Run UrbanSim for producing demographic forecasts for 2050 Plan and TIP amendments. Specific activities will include production and review of demographic forecasts to be used for required 2045 Plan. Develop the datasets for running the Allocation Tool for the 2045 Plan.

2.1.4 Travel Demand Modeling: Run CAMPO's FTA-compliant and time-of-day model. Specific activities will include coordination with TxDOT on development of the new 2020 base year model, performing model runs for the amendments of the 2045 Plan, 2019-2022 TIP and the development of the 2050 Plan; refinements of in-house modeling capabilities; and regular updates of computer hardware, software, and necessary peripherals for supporting the demographic forecasting and travel demand modeling activities.

2.1.5 Environmental Analysis: This subtask includes facilitating planning and environmental linkages by participating in NEPA related studies and Planning and Environmental Linkages (PEL) studies, monitoring and evaluating the effect of CAMPO plans and programs on the environment, identifying potential mitigation activities and locations where they might occur, coordinating outreach with resource agencies and working groups, developing and updating GIS analyses using GISST, and other relevant data. CAMPO is participating in NEPA related studies to facilitate the proper integration of planning outcomes in the environmental process.

Responsible Agency: Capital Area Metropolitan Planning Organization
Funding Requirement: \$449,225 PL
Product(s): Technical memoranda, final reports, PEL and NEPA related reports and analyses.

Subtask 2.2 GIS, Demographic Forecast, & Travel Demand – Consultant Work

2.2.1 Demographic Forecast and Travel Demand Modeling Projects for 2045 Plan

Conduct activities related to the travel demand model in support of development of the 2045 Plan. It is noted that the demographic forecasting and travel demand modeling procedures applied in the CAMPO area are integrated. Conduct activities related to the production of the regional employment and population profiles for inclusion in the CAMPO travel demand model and the 2045 toll analysis. Ongoing contract.

Responsible Agency: Capital Area Metropolitan Planning Organization
Product(s): Interactive Web Viewer, UrbanSim, Development 2045 Travel Demand Model, Model files for development of the 2045 RTA, draft and final 2045 RTA document.

- **FUNDING SUMMARY**

Task 2.0 - FY 2022 & FY 2023

Subtask	Responsible Agency	Transportation Planning Funds (TPF) ¹		FTA Sect. 5304		Local		Total		Grand Total
		2022	2023	2022	2023	2022	2023	2022	2023	2022&2023

TOTAL		219,332	229,893					219,332	229,893	449,225

¹TPF - This includes both FHWA PL-112 and FTA Section 5303 Funds. TxDOT will apply transportation development credits sufficient to provide the match for TPF. As the credits reflect neither cash nor man-hours, they are not reflected in the funding tables.

IV. TASK 3.0 - SHORT RANGE PLANNING

- **OBJECTIVE**

Conduct short-range transportation and transportation-related planning activities with short-term planning and implementation focus, including the development and administration of the Transportation Improvement Program.

- **EXPECTED PRODUCTS**

2021-2024 Transportation Improvement Program
2023-2024 Transportation Improvement Program
10 Year Plan
Performance Measure Report
Project Progress Report
2023-2026 TASA 4-Project Call
Project Prioritization Process
Congestion Management Process

- **PREVIOUS WORK**

2019-2022 Transportation Improvement Program
Project Tracking
Performance Measure Report
Congestion Management Process (CMP)
Special Funding Report

- **SUBTASKS**

Subtask 3.1 MPO Staff Work for Task 3.0

3.1.1 General Administration: This subtask allows for MPO staff support for administrative activities related to short range planning, including the development and management of agency contracts; procurement, development, and management of consultant contracts for projects in Task 3; and the review and processing of monthly billings for work related to Task 3.

3.1.2 General Activities: Specific activities will include, but are not limited to, maintenance of the FY 2021-2024 Transportation Improvement Program, development of the FY 2023-2026 Transportation Improvement Program, along with related performance measures.

3.1.3 Public Participation: This subtask includes MPO staff participation in public outreach activities including video production, developing website information, writing newsletter articles, developing other printed materials, and public meeting facilitation as needed.

3.1.4 Congestion Management Process (CMP), Intelligent Transportation Systems (ITS) and Operations Planning: This subtask covers activities related to conducting the CMP, ITS and Operations Planning. Specific activities include, but are not limited to, developing, updating, refining, and implementing the CMP, incorporating congestion analysis results into the regional planning process, and incorporating ITS, systems management and operations into the planning process.

3.1.5 Transportation Improvement Program: The four-year Transportation Improvement Program (TIP) lists surface transportation projects that are funded with federal dollars and are consistent with the long-range plan developed for the area. The TIP may also include non-federally funded projects that are regionally significant. The TIP development process includes public involvement activities and opportunities for public review and comment on all aspects of the program.

Responsible Agency: Capital Area Metropolitan Planning Organization
Funding Requirement: \$565,667 PL
Product(s): Contract procurement materials and billing packages, meeting packages and materials, technical memos, 2021-2023 TIP amendments, 2023-2026 TIP, Congestion Management Process (CMP) Plan

Subtask 3.2 Congestion Management – Consultant Work

3.2.1 Congestion Management Process Data Collection and Analysis: This subtask provides support for the CMP through congestion data collection and analysis.

Responsible Agency: Capital Area Metropolitan Planning Organization
Funding Requirement: \$45,000 PL
Product(s): Congestion data and analysis, data in GIS format

Subtask 3.3 Regional Transportation Demand Management Program– Consultant Work

3.3.1 Regional Transportation Demand Management Program

The Regional Transportation Demand Management (TDM) Program will provide TDM services throughout the region with the goal of reducing congestion without adding capacity on the region’s roadway network.

Responsible Agency: Capital Area Metropolitan Planning Organization
Funding Requirement: \$498,720 STBG 124,680 TDCs
Product(s): Contract procurement materials and billing packages, meeting packages and materials, technical memos

- **FUNDING SUMMARY**

Task 3.0 - FY 2022 & FY 2023

Subtask	Responsible Agency	Transportation Planning Funds (TPF) ¹		STBG		Local		Total		Grand Total
		2022	2023	2022	2023	2022	2023	2022	2023	2022&2023

¹TPF – This includes both FHWA PL-112 and FTA Section 5303 Funds. TxDOT will apply transportation development credits sufficient to provide the match for TPF. As the credits reflect neither cash nor man-hours, they are not reflected in the funding tables.

V. TASK 4.0 - METROPOLITAN TRANSPORTATION PLAN

- **OBJECTIVE**

To develop, maintain and update a multi-modal Regional Transportation Plan for the CAMPO planning area for a 25-year horizon that meets federal requirements and regional goals.

- **EXPECTED PRODUCTS**

Maintenance of the 2045 Regional Transportation Plan
Coordinated Public Transit – Health and Human Services Transportation Plan Update
Performance Measures

- **PREVIOUS WORK**

2045 Regional Transportation Plan
2040 Regional Transportation Plan Amendments
2040 Regional Transportation Plan implementation products initial work products related to the development of the 2045 Regional Transportation Plan
Develop a regional bicycle and pedestrian plan

- **SUBTASKS**

Subtask 4.1 MPO Staff Work for Task 4.0

4.1.1 General Administration: This subtask allows for MPO staff support for administrative activities related to long range planning including procurement, development, management of consultant contracts for projects in Tasks 4.1, 4.2, and 4.3, review and processing of monthly billings for work related to Tasks 4.1, 4.2, and 4.3, conduct access management, safety, sub-regional traffic management, and other related corridor studies, participation in study oversight committee meetings, amending and maintaining the CAMPO 2040 Regional Transportation Plan, developing the CAMPO 2045 Regional Transportation Plan and supporting materials and cooperatively developing related performance measures.

4.1.2 Public Participation: This subtask includes MPO staff participation in public outreach activities including video production, developing website information, newsletter articles, other printed materials, and public meeting facilitation as needed.

4.1.3 Regional Public Transportation Coordination: This subtask allows for MPO staff support for regional public transportation coordination including coordinating the Regional Transit Coordination Committee (RTCC) and associated activities, and implementing, maintaining and updating the Capital Area Coordinated Transit – Health and Human Services Transportation Plan.

4.1.4 Bicycle and Pedestrian Planning: This subtask includes coordinating the Active Transportation Advisory Committee, conducting planning activities related to bicycle and pedestrian facilities, updating the regional active transportation plan, updating the regional bicycle and pedestrian facility inventory.

4.1.5 Safety Planning: This subtask includes access management and corridor studies for the region, crash data hot spot analyses for regional and local governments, coordinating the regional safety coalition and its safety emphasis area team's associated activities, including, but not limited to, regional workshops, Safety Summits, data analyses, and updating and maintaining the safety analysis tool.

Responsible Agency: Capital Area Metropolitan Planning Organization
Funding Requirement: \$923,773 PL
Product(s): Planning documents, data sets, contract procurement materials and billing packages, and networks

Subtask 4.2 2045 Metropolitan Transportation Plan

4.2.1 2045 Metropolitan Transportation Plan

Maintenance of the CAMPO 2045 Regional Transportation Plan.

Responsible Agency: Capital Area Metropolitan Planning Organization
Product(s): Meeting materials, technical report(s), plan documents

Subtask 4.3 Regional Transit Coordination - Related MPO and Consultant Work

4.3.1 Regional Transit Coordination

This subtask provides support for regional public transportation coordination including the Regional Transit Coordination Committee and associated activities, implementing, maintaining and updating the Capital Area Coordinated Transit-Health and Human Services Transportation Plan. Contract ongoing.

Responsible Agency: Capital Area Metropolitan Planning Organization
Funding Requirement: \$100,000 FTA 5304
Product(s): Reports, memos, agendas

Subtask 4.4 Planning Studies – Other agencies in the CAMPO region (MPO Staff Work is not applicable)

4.4.1 CARTS Transportation Development Plan

Develop a comprehensive 5-year transportation development plan for CARTS 9-county district to serve as a blueprint for refining existing passenger services and defining future expansion of passenger services.

Responsible Agency: CARTS
Funding Requirement: \$166,667 FTA 5304 and \$33,333 TxDOT

4.4.2 Austin Urban Trails, Pedestrian and Sidewalks, and Bicycle Plan Updates

The City of Austin is updating its Urban Trails, Bikeways, and Sidewalk plans in the 2020-2022 timeframe. In addition to updating these three existing plans, the process will include the addition of both a pedestrian crossing infrastructure plan component and an equity framework component.

Responsible Agency: City of Austin
Funding Requirement: \$1,650,000 City of Austin Local Funds

4.4.3 North Lamar/Guadalupe/Riverside Fixed Guideway Corridor Station Area Plans, Value Capture Tools and other Innovative Financing tools, and Transit Oriented Development (TOD) Station Area Zoning

The Capital Metropolitan Transportation Authority will receive funding to plan for TOD at eight proposed stations along the 6.5-mile Orange Line South light rail corridor. The Orange Line South Corridor ETOD Study will focus on an approximately 6.5-mile light rail corridor with eight proposed stations, five of which are included in the Project Connect LRT Orange Line initial investment, Auditorium Shores, SOCO, Oltorf, St. Edwards, and South Congress Transit Center. The additional three southern-most proposed stations, Stassney, William Cannon, and Slaughter, are part of an LRT Orange Line extension. The Orange Line initial investment is expected to open in 2029.

Responsible Agency: Capital Metro
Funding Requirement: \$750,000 FTA and \$400,000 Local Funds

- FUNDING SUMMARY

Task 4.0 - FY 2022 & FY 2023

Sub task	Responsible Agency	Transportation Planning Funds (TPF) ¹		FTA Sect. 5304		STBG		STATE		LOCAL		FTA Sect. 20005(b)		Total		Grand Total
		2022	2023	2022	2023	2022	2023	2022	2023	2022	2023	2022	2023	2022	2023	2022&2023

		-	-			-	-			-	-	-		-	-	-
TOTAL		480,472	443,301	241,667	25,000	-	-	33,333	-	2,050,000	-	750,000	-	3,555,472	468,301	4,023,773

¹TPF - This includes both FHWA PL-112 and FTA Section 5303 Funds. TxDOT will apply transportation development credits sufficient to provide the match for TPF. As the credits reflect neither cash nor man-hours, they are not reflected in the funding tables.

VI. TASK 5.0 - SPECIAL STUDIES

- **OBJECTIVE**

To conduct special studies of transportation facilities and/or corridors and transportation-related topics and to implement specialized studies. Includes the assessment of capital investment and other strategies to preserve the existing and future transportation system and reduce the vulnerability of the existing transportation infrastructure to natural disasters.

- **EXPECTED PRODUCTS**

Continued analysis of corridors in the region
Western Caldwell County Transportation Study and Schematic Development
FM 1626/RM 967 Intersection
Garlic Creek Parkway
~~US 290/RM 12 & Mercer District (Project Cancelled)~~
Freight Study
Bottleneck Study
San Marcos Planning Study
Northeast Burnet County Corridor Study
Project Readiness for Regional Corridor Improvement Projects
SL 150/Chestnut Street Corridor Study
Austin Avenue Corridor Study

- **PREVIOUS WORK**

Regional Arterial and MoKan/Northeast Subregional
San Marcos Transportation Corridor Study

- **SUBTASKS**

Subtask 5.1 MPO Staff Work for Task 5.0

5.1.1 General Activities: This subtask allows for MPO staff support for activities related to special transportation planning studies in Subtask 5.1 and 5.2. Specific activities will include participating in special studies. MOU/MOA or other similar documents will be developed to address specific written provision for cooperatively developing and sharing information related to transportation performance data; selection of performance targets; reporting performance targets; reporting and tracking progress.

Responsible Agency:	CAMPO
Funding Requirement:	\$192,644 PL
Product(s):	Contract procurement materials and billing packages, meeting packages and materials, technical memos

Subtask 5.2 Special Studies (undertaken by CAMPO and/or Consultant(s))

5.2.1 FM 1626/RM 967 Intersection

Lane use and transportation nodal analysis. Contract TBD.

Responsible Agency: CAMPO and City of Buda
Funding Requirement: \$160,000 STBG and \$40,000 Local Funds

5.2.2 Garlic Creek Parkway

Corridor and connectivity analysis. Contract TBD.

Responsible Agency: CAMPO and City of Buda
Funding Requirement: \$280,000 STBG and \$70,000 Local Funds

~~5.2.3 US 290/RM 12 & Mercer District~~

~~Land use, corridor and node analysis. Contract TBD.~~

~~Responsible Agency: CAMPO and City of Dripping Springs
Funding Requirement: \$360,000 STBG \$90,000 Local Funds~~

5.2.4 Western Caldwell County Transportation Study and Schematic Development

Conduct feasibility study for new location roadway. Contract ongoing.

Responsible Agency: CAMPO and Caldwell County
Funding Requirement: \$1,200,000 STBG and \$300,000 State Funds

5.2.5 Freight Study

The Freight Study will evaluate freight and shipping needs throughout CAMPO's six-county region. The study will build on the work TxDOT completed in its 2018 Freight Mobility Plan and evaluate how the needs for freight policies and projects are shifting in Central Texas as the economy is changing. With the development of new industrial, warehousing, and distribution facilities being constructed throughout the region, along with the continuing growth of e-commerce, the changing nature of freight planning must be better understood to encourage efficient freight transportation and enhance economic development. Contract TBD.

Responsible Agency: CAMPO
Funding Requirement: \$200,000 STBG and 50,000 TDCs

5.2.6 Bottleneck Study

The Bottleneck Study will evaluate major interchanges throughout CAMPO's six-county region. Currently, most freeway-to-freeway interchanges in the CAMPO region lack full connectivity through direct-connect ramps and drivers must use frontage road intersections to make connections between many highways. The Bottleneck Study will evaluate these interchanges to identify where improvements between highways may be needed, including additional direct-connect ramps. The Study will also evaluate connections between high-volume principle arterial roadways to identify bottlenecks where intersection or interchange improvements may be needed. Contract TBD.

Responsible Agency: CAMPO
Funding Requirement: \$225,000 STBG and 56,250 TDCs

5.2.7 San Marcos Platinum Planning Study

Land use, corridor, and node analysis. Contracted.

Responsible Agency: CAMPO and City of San Marcos
Funding Requirement: \$136,000 STBG \$34,000 Local Funds

5.2.8 Northeast Burnet County Corridor Study

Planning level analyses and providing corridor planning support to develop, evaluate, and advance a broad range of mobility improvements in northeast Burnet County. Contract TBD.

Responsible Agency: CAMPO
Funding Requirement: \$150,000 PL Funds

5.2.9 Project Readiness for Regional Corridor Improvement Projects

Multimodal corridor studies to advance recommendations for inclusion in CAMPO's long-range Regional Transportation Plan (RTP) and for future funding consideration in CAMPO's Transportation Improvement Program (TIP). Contract TBD.

Responsible Agency: CAMPO
Funding Requirement: \$7,000,000 Concession Funds

5.2.10 Austin Avenue Corridor Study

The Austin Avenue Corridor Study will assess multimodal mobility/safety needs and catalytic land use opportunities for the 5-mile section of Austin Avenue between SE Inner Loop and NE Inner Loop in the City of Georgetown. The study will run concurrently with and inform several local planning efforts including the Downtown Master Plan Update, Downtown Parking Study, and Overall Transportation Plan Update. The study will include public/stakeholder engagement, needs assessment, a corridor concept plan, and an implementation plan. Contract TBD.

Responsible Agency: CAMPO and City of Georgetown
Funding Requirement: \$250,000 PL and \$50,000 Local Funds

5.2.11 SL 150/Chestnut Street Corridor Study

The SL 150/Chestnut Street Corridor Study will assess multimodal mobility and safety needs for the 3-mile section of SL 150/Chestnut Street between SH 71/Childers Drive and SH 71/Tahitian Drive in the City of Bastrop. Building upon community visioning work completed in 2019 as part of the Bastrop Building Block (B3) Code, the study will include public/stakeholder engagement, needs assessment, a corridor concept plan, and an implementation plan. Contract TBD.

Responsible Agency: CAMPO and City of Bastrop
Funding Requirement: \$200,000 PL and \$40,000 Local Funds

Subtask 5.3 Corridor and Feasibility Studies (undertaken by agencies other than CAMPO in the CAMPO region)

None at this time.

- FUNDING SUMMARY**

Task 5.0 - FY 2022 & 2023

Sub task	Responsible Agency	Transportation Planning Funds (TPF) ¹		STBG		Local		State		Concession		Total		Grand Total
