

## What is CAMPO?

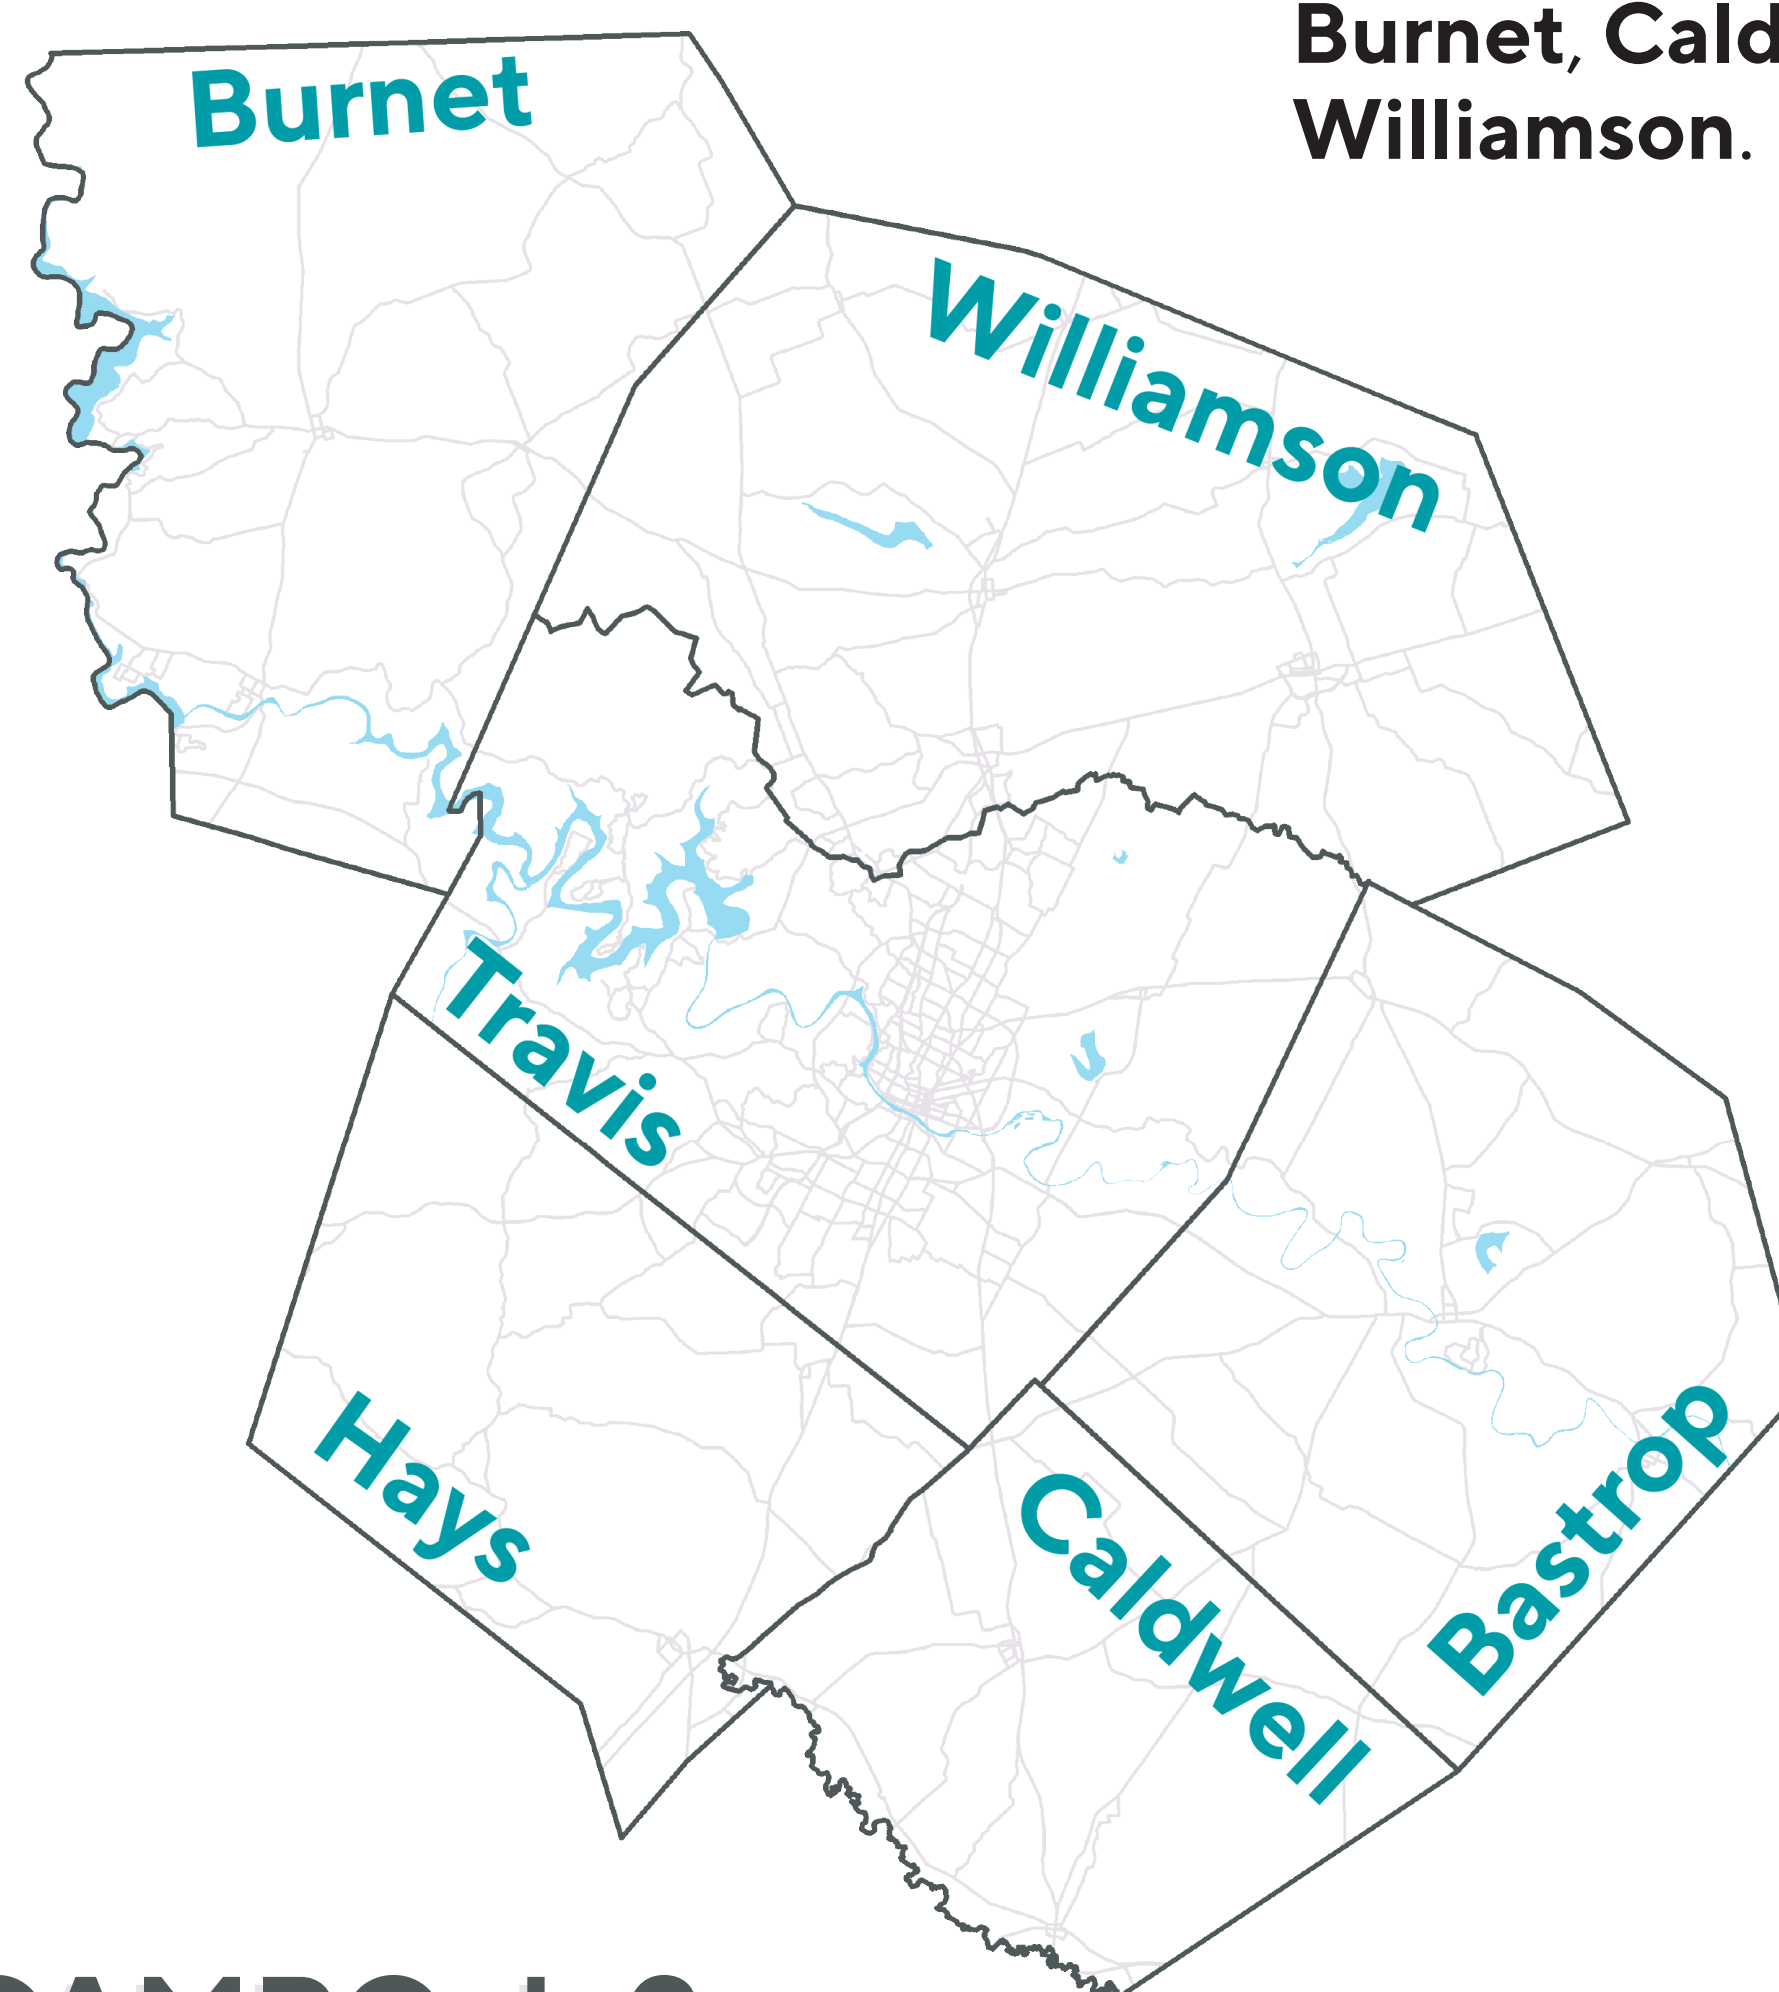

The Capital Area Metropolitan Planning Organization (CAMPO) is **the Austin region's transportation decision-making body, coordinating** regional transportation planning **between counties, local governments and transportation agencies**. The organization is made up of a **22-member Transportation Policy Board (TPB)** that makes decisions on CAMPO policy and allocates federal transportation funds for the region, a **24-member Technical Advisory Committee (TAC)** that provides technical expertise and recommendations to inform the Transportation Policy Board, and the **Executive Director**, who reports to the TPB and oversees the CAMPO staff.

## What is an MPO?

MPO stands for metropolitan planning organization, which is **regional transportation planning entity** designated by the federal government. MPOs were introduced by the Federal-Aid Highway Act of 1962, which requires the **formation of an MPO** for any urbanized area with a **population greater than 50,000**. CAMPO is one of 23 MPOs in Texas, and one of more than 400 in the United States.

## Where is CAMPO?

CAMPO conducts regional transportation planning work within six counties: **Bastrop, Burnet, Caldwell, Hays, Travis, and Williamson**.

## What does CAMPO do?

CAMPO **closely coordinates with local governments and transportation agencies**, such as TxDOT, Capital Metro and CARTS, in planning for regional transportation improvements. This includes working directly with local governments on technical studies related to transportation and economic development. However, **CAMPO does not construct projects** – that responsibility lies with project sponsors, such as cities, counties, and transportation agencies.

CAMPO is responsible for creating two primary regional planning documents– one **long-range** and one **short-range**:

- > the **Regional Transportation Plan (RTP)** is a 20+ year plan, which is adopted every five years, and;
- > the **Transportation Improvement Program (TIP)**, which is adopted every two years but covers a four-year window.

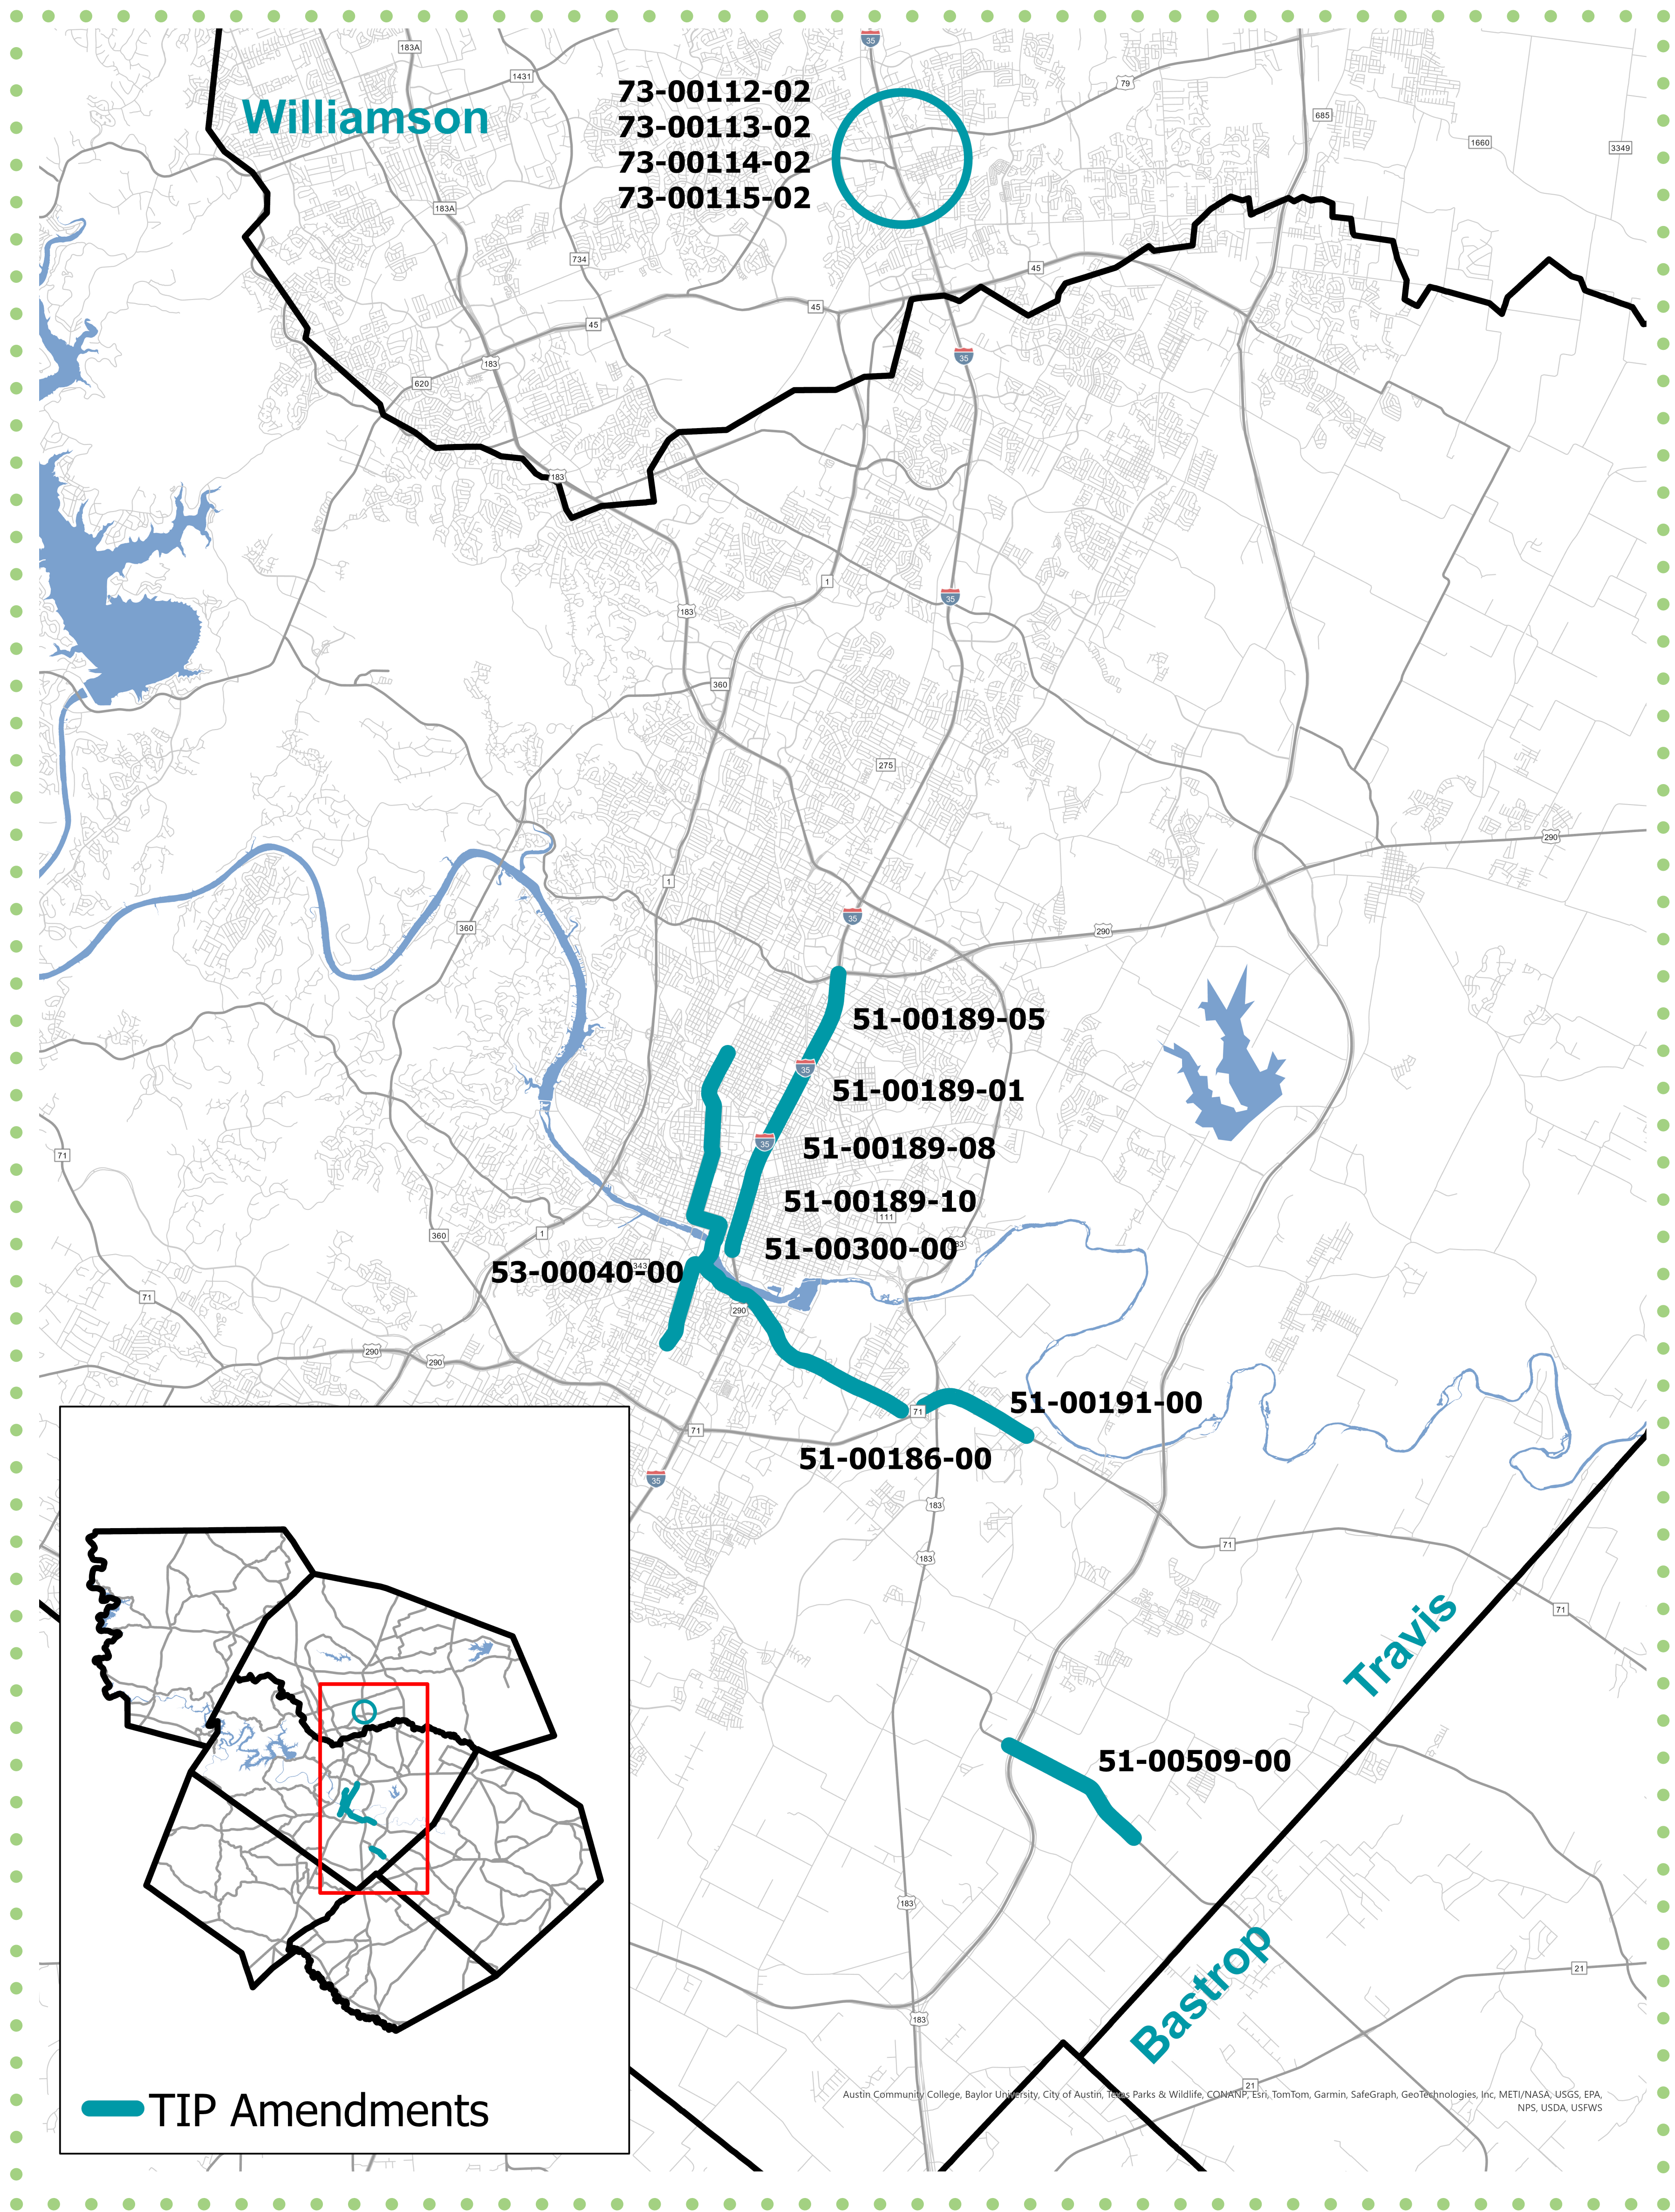

The 2025-2028 Transportation Improvement Program, or TIP, is the **regional transportation program for projects** in CAMPO's six-county region **that have authorized federal funding and will begin implementation in the next four years.**

Amendments are generally limited to changes to projects already in the TIP. However, if a project meets certain criteria, it may be added as a new project in the TIP. Amendments may include a **change in funding source, project length or limits**, or the **project description**. All amendments to the Transportation Improvement Program (TIP) will automatically be amended in the Regional Transportation Plan (RTP).

The public is encouraged to review information about and leave comments on the draft amendment list for the 2025-2028 TIP. Public comments will be accepted by email, mail, and phone until **October 17, 2025**

2025-2028 TIP and  
2050 RTP Amendments

Congress / Riverside Dr.)	Engineering, ROW	2027	\$190,100,000	Add new individual listing. Project undergoing the Capital Investment Grant (CIG) New Starts process. This amendment includes local funding commitment only.
53-00040-00	N/A	Travis	Austin Transit Partnership	N/A	N/A	N/A	Austin Light Rail Phase I (Guadalupe / 3rd St. / Trinity / S. Congress / Riverside Dr.)	Engineering, ROW	2028	\$198,000,000	Add new individual listing. Project undergoing the Capital Investment Grant (CIG) New Starts process. This amendment includes local funding commitment only.

**Transportation Improvement Program (TIP) Amendment** (All approved amendments to the Transportation Improvement Program are automatically amended in the Regional Transportation Plan per CFR 450.218.)

**Regional Transportation Plan (RTP) Amendment** (No amendments were requested specifically for the Regional Transportation Plan)

Amendments added on September 29, 2025 in coordination with the project sponsor and Federal Transit Administration.

\*Year of Expenditure (YOE) equates to the total funding allocated to a project in a given fiscal year. For projects being removed from the Transportation Improvement Program, all funding listed under the YOE is removed.
